- Enable local access to appropriate tertiary education The nature of enrolments at a specific ITP will influence its Support students with low literacy, language and numeracy skills to performance. For example, part-time and extra-mural students ٠ often have work or family commitments and cannot devote as improve these skills and progress to higher levels of learning
  - Work with industry to ensure that vocational learning meets industry needs.

#### **Tertiary Education Strategy**

The Tertiary Education Strategy calls for better performance from the tertiary education sector as well as raising achievement for all learners under 25, and for Māori and Pasifika learners

\*Total may exceed 100% as some students identify with more than one ethnicity.
